Session 13: The Lamb's Supper

Fall Semester Timeline

Summary

In this session, we are invited to see the Mass through the mystery of the Lamb's Supper. The Eucharist is not presented as a symbol detached from life, but as the living gift of Christ's body, blood, soul, and divinity. This week's session shows that Jesus does not save simply because he suffers, but because he loves with total self-gift. Love transforms suffering into sacrifice, and that sacrifice becomes present to us in the Eucharist. We are reminded that Christ does not replace our suffering, but enables us to unite it to His. This gives meaning to the daily crosses of marriage, fatherhood, work, and discipleship. We are challenged to prove love through deeds, not merely words. This week's speaker ends by calling us to become men who receive Eucharistic grace and then carry that sacrificial love into our homes and into the mission of the Church.

Small Group Goals

- See the Mass as participation in the heavenly worship described in Revelation.
- Renew faith in the Real Presence of Christ in the Eucharist.
- Connect Eucharistic love to sacrificial love in marriage, family, and daily life.

Discussion Questions

- Where is God asking us to deny ourselves on a daily basis with our spouse, our kids, our boss and coworkers? How can we live this mystery in practical ways, where suffering is turned into sacrifice?
- How can we present the Catholic Gospel in practical ways, as a Gospel of Love? How can I learn the Gospel of God's Love and share it with others?

Supplemental Questions

- What part of the Mass do you need to enter into with greater attention and reverence?
- How can the Eucharist strengthen you to love your wife, children, or family more faithfully?
- How can you be a witness to the Real Presence without criticizing others or simply trying to win arguments?
